

July 23, 2019

Dear Customer:

The California Safe Drinking Water and Toxic Enforcement Act of 1986 (or Proposition 65) is a regulation intended to inform California's citizens of toxins known to the state of California to cause cancer, birth defects, or other reproductive harm in their consumer products and in their environment. Further information regarding this regulation and its listed chemicals can be found at <https://www.p65warnings.ca.gov/>.

The products supplied to you by Worthington Industries, Inc. have the potential to contain the following Proposition 65 listed chemical:

Chemical	CAS No. (if applicable)	Type of Toxicity
Lead	7439-92-1	Developmental, Reproductive (female and male), and Cancer

For more information, safety data sheets are available at our website at: <https://worthingtonindustries.com/Resources/For-Customers/Safety-Data-Sheets>.

For further questions related to Proposition 65 and our products, please contact me:
